

# ***lawrence community fridge***

## ***food donation opportunity***

our community fridge is located in the prospect hill neighborhood of lawrence. it is open to everyone 24/7; anyone can take or add items to the fridge as long as the foods follow our safety guidelines!

we are seeking food donations to fill the fridge from local farms, stores, and restaurants. If you have any excess, damaged, or unsellable (but still edible) food you would like us to pick up, please let us know.

we don't have a minimum donation request and are happy to pick up on whatever schedule makes sense for you. Please email us at [lawrencecommunityfridge@gmail.com](mailto:lawrencecommunityfridge@gmail.com) to schedule a pickup or if you have any questions!

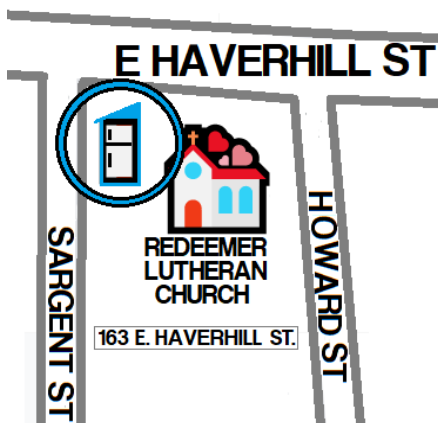

more about community fridges/our beliefs as organizers...

*a community fridge is an accessible way to feed ourselves and each other by utilizing the principles of mutual aid. we believe that everyone deserves access to fresh, nutritious food regardless of income, time, immigration status, or other barriers that exist within capitalism. we know that food scarcity is a myth and hope to redistribute items that might otherwise go to waste to people in our community.*
